# Aylin Güney King recognized in Expert Guides Rising Stars 2020

We are very pleased to announce that Aylin Güney King, our Dispute Resolution partner in Geneva, has been recognized in Expert Guides 2020 edition of Rising Stars for her work in Litigation and Commercial arbitration.

Aylin is one of only 6 Litigation practitioners in Switzerland to be nominated a 2020 Rising Star and the only practitioner to be recognized for both Litigation and Commercial arbitration.

The Rising Stars guide represents a listing of the brightest and most talented practitioners in the area of business law and related practices. It classifies recently appointed partners or senior associates who have already demonstrated their status in important transactions. Recognition in the final list is a result of nomination of senior practitioners involved in each practice area across 55 jurisdictions alongside extensive independent research.
